Odyssey Charging Cart

- Provide a safe place for your most valuable resources. The Odyssey Charging Cart offers security, efficiency, and mobility for up to 24 laptops, tablets, or other devices on seven adjustable shelves.
- Each shelf measures 3"H x 44"W x 14"D when evenly spaced, with a capacity of three large laptops per shelf.
- Ventilation holes prevent overheating, and durable locking mechanism ensures your equipment will be safe and ready to use when needed.
- UL approved surge-protected power strips (12 outlets each) included to charge up to 24 devices and aid in cable management. Power cable is 14' long per strip.
- Rear locking access panel makes access for charging easy.
